

## **Footpath report**

Over the year issues have been addressed where fallen trees/branches have obstructed the footpaths. Signs have been trimmed round where next to hedges and fingerposts replaced and posts reinstated.

I cut all the footpaths on our land and adjacent parishes throughout the summer months to make for easy walking and help define where the footpaths are.

Councillor Pratt kindly paid for the reinstatement of the steps along with a handrail on the bank leading down to Lower Farm Road between Walnut Tree cottage and Broadview Farm which we would like to thank him for.
