

Tree Warden report 2022

Over the past year we have continued to maintain the trees and the fruit trees in the orchard on the playing field are growing well so hopefully soon we will have a crop for the village to pick.

In the winds of February several large branches came down which were reported to myself and it was cleared up.

In February of this year we planted an evergreen oak to the west of the village hall to celebrate the Queen's Platinum Jubilee 'Plant a tree'. This has a guard which will have a plaque fitted to it.
