Section B:

Mid Suffolk District Council as Local Planning Authority, hereby give notice that **LISTED BUILDING CONSENT HAS BEEN REFUSED** for the development proposed in the application in accordance with the particulars and plans listed in section A for the following reasons:

1. REASON FOR REFUSAL - HERITAGE HARM

The proposed development would result in fragmentation of the former grounds of the listed hall and barn, introducing an unrelated planning unit. This intrusive, unrelated development would be harmful to the setting of these buildings through the subdivision of their curtilage.

As such, it is considered to result in a low level of less than substantial harm to the significance of Ringshall Hall and Greshams Barn. In accordance with the provisions of the NPPF [paragraph 208], the public benefits are of very limited weight, particularly where the building is currently in its optimum viable use, and are not considered to outweigh the considerable weight attached to the identified harm to the heritage assets.

The application does not meet the requirements of s.66 of the Planning (Listed Buildings and Conservation Areas) Act 1990, policies SP09 and LP19 of the Babergh and Mid Suffolk Joint Local Plan (2023), nor Chapter 16 of the NPPF (2023).

SUMMARY OF POLICIES WHICH ARE RELEVANT TO THE DECISION:

SP09 - Enhancement and Management of the Environment
LP19 - The Historic Environment

NPPF - National Planning Policy Framework

NOTES:

1. The proposal has been assessed with regard to adopted development plan policies, the National Planning Policy Framework and all other material considerations. The NPPF encourages a positive and proactive approach to decision taking, delivery of sustainable development, achievement of high quality development and working proactively to secure developments that improve the economic, social and environmental conditions of the area:

In this case the Local Planning Authority attempted to discuss its concerns with the applicant but was not able to secure the necessary improvements to the scheme that would have enabled the proposals to be considered more favourably.

2. REFUSED PLANS & DOCUMENTS

The drawings/documents considered by the Local Planning Authority in determination of this application are listed under Section A above.

Babergh and Mid Suffolk District Councils have adopted Community Infrastructure Levy (CIL) charging which affects planning permissions granted on or after 11th April 2016 and permitted

development commenced on or after 11th April 2016. If your development is for the erection of a new building, annex or extension or the change of use of a building over 100sqm in internal area or the creation of a new dwelling or holiday let of any size your development may be liable to pay CIL and you must submit relevant documents to our Infrastructure Team telling us more about your development, who will pay CIL and when the development will start. You will receive advice on the amount you have to pay and what you have to do and you can find more information about CIL on our websites here:

Appeals to the Secretary of State

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or consent, or to grant permission or consent subject to condition, they may appeal to the Secretary of State for Communities and Local Government. The applicant's right of appeal is in accordance with the appropriate statutory provisions which follow:

Planning Applications: Section 78 Town and Country Planning Act 1990

Listed Building Applications: Section 20 Planning (Listed Buildings and Conservation Areas) Act 1990

Advertisement Applications: Section 78 Town and Country Planning Act 1990
Regulation 15

Town and Country Planning (Control of Advertisements) Regulations 2007

Notice of appeal in the case of applications for advertisement consent must be served within eight weeks of receipt of this notice. Notice of Householder and Minor Commercial Appeals must be served within 12 weeks, in all other cases, notice of appeal must be served within six months of this notice. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within six months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at <https://www.gov.uk/government/publications/modelnotification-notice-to-be-sent-to-an-applicant-when-permission-is-refused>

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he/she will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him/her that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by it, having regard to the statutory requirements*, to the provisions of the Development Order, and to any directions given under the Order. The Secretary of State does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him/her.

2. If permission or consent to develop land or carry out works is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use by the carrying out of any development or works which has been or would be permitted they may serve on the Council of the district in which the land is situated, a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of Section 137 of the Town and Country Planning Act 1990 or Section 32 Planning (Listed Buildings and Conservation Areas) Act 1990.

*The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70 and 72(1) of the Act.
