**Pay award 2024-2025 agreement reached**

NALC have confirmed that the NJC salary award for 2024-2025 has reached agreement. **click on this link to view the updated salary scales.**

NALC have issued an advice note on their website* - **Local government services pay agreement 2024/25**

SALC payroll members: Once the council have agreed the increase to your NJC salary, please inform me by submitting a portal request through the SALC member portal to confirm this agreement by the council. The backpay and pay increase will be implemented for the November payroll.

****To access the NALC website you will need to set up an individual account (SALC members only). Video guidance on how to do this is available here - <https://youtu.be/zapNDmP8jjY?si=jtXhLh0Wm5ANHrO4h>***
