16 June 2022

Dear Lacey,

Ref: Ringshall Village Hall Lower Farm Road Ringshall Stowmarket Suffolk IP14 2JB

Thank you for contacting Jacksons Fencing. I have summarised our quotation below as requested. A detailed breakdown of the quotation is available upon request.

Budget cost to supply & install approx 81m of Bowtop fencing 1.2m high and gates as listed below.

1no single leaf gate 1.374m wide between posts, 1.534m wide overall.

1no double leaf gate 3.192m wide between posts, 3.352m wide overall.

Gates fitted with slide latch for Customers own padlock.

Single gate is to wide to have an underground self closer but we can fix one to the rear of the gate at an extra cost of £365 + VAT but due to height we would not recommend it.

Galvanised and Polyester Powder Coated finish to a Jacksons standard RAL colour.

Overlength posts to be set in concrete @ maximum 2.775m centres.

NB - Panels supplied in standard widths to be cut down on site to suit dimensions required.

Anti Neck Trap Design as approved by RoSPA for schools and play areas.

Our price does not include waste removal - if skips are provided the contractor will put waste in them to be removed by others.

Customer to provide welfare facilities and water for mixing concrete plus parking for installers vehicle and space for materials storage.

Jacksons can provide their own welfare facilities if required for an additional cost of £280 + VAT.

This is a budget quotation and subject to a site visit before we can accept an order for supply and installation.

Due to volatility of materials costs, prices will need to be checked at time of order.

Important Note: Due to volatility of materials costs, prices will need to be checked at time of order

Metal products manufactured by Jacksons have a 25 year service life guarantee
