Dear Mrs L Luther

Further to your email request, I have prices for the 2 benches

Bench design to be finalised, quote is for 2 benches made 1.8m long

Per bench made in Oak

Materials £2183.60

Labour £1000.00

Total £3183.60 inc Vat for a single bench

Per bench made in Iroko

Materials £1311.73

Labour £1000.00

Total £2311.73 inc Vat for a single bench

The material price I'm charging what I'm being charged from the supplier, over the last few years material prices have almost tripled and continue to fluctuate. Therefore I can only hold this price for 14days, after this time I will have to re quote the material price.

Lead time on delivery is 8-10 weeks.

All material costs to be paid up front, then labour on delivery.

Kind regards

Iain
