RPC/28/24/25 PLANNING APPLICATIONS

- a) Council discussed the planning consultation request DC/24/02665
It was discussed that the planning was retrospective, as the building had already been built. Council discussed the size of the building and how it took up over a third of the plot. Council agreed the building was out of character and keeping with the local vicinity. Council noted that the initial photograph in the proposal had been taken before the building was built and therefore was misleading.
